## **Grant Request for Capital Project Funding from Le Tour De Vin**

### **Background**

Combine the subtle sound of corks easing from bottles and the hum of animated conversation with the savory scents of mouth-watering appetizers. Blend liberally with the flavors of some of the finest wines in the world, finish with the camaraderie of Norman's four Rotary clubs, and top with the urgency of a good cause, and you have one of our city's most innovative, festive, and sought-after events: *Le Tour de Vin*.

*Le Tour de Vin* is the brainchild of Cross Timbers Rotary club. In 2003, in an effort to raise money for the American Red Cross and other club philanthropies, Cross Timbers offered a wine tasting event that included music, silent and live auctions, hors d'oeuvres from Norman restaurants, and a chance to mingle with a diverse group of wine lovers. The resulting event was an instant hit that raised \$39,240 for charity and left locals clamoring for more. Subsequent affairs in 2004 and 2005 raised \$34,480, and \$47,150, with proceeds split equally between the Red Cross and Cross Timbers Rotary.

*Le Tour de Vin* 2006 and 2007 was a joint effort between ILSY ( now Bridges) and Cross Timbers Rotary to help fund the improvements of their community building and office spaces. We were able to raise \$56,790 and \$60,760, benefitting ILSY and various Rotary projects.

*Le Tour de Vin* 2008 marked the first time that all three Norman Rotary clubs, Cross Timbers, Sooner, and Norman, combined their efforts to expand the event. The Mary Abbott House was chosen as the recipient, and the \$90,000 given over a two year period resulted in the completion of their capital building program in 2010. The remainder was divided between the three clubs to be used for diverse charities.

Thunderbird Clubhouse was the recipient of the 2010 - 2011 LTDV Grant request for \$90,000 to complete capital improvements to the facility. Funds raised 2010 and 2011 *Le Tour de Vin* provided the two-year funding commitment to Thunderbird Clubhouse

Food and Shelter, Inc. was the recipient of the 2012 – 2013 LTDV Grant request for \$90,000 to help fund the building of an apartment complex for temporary housing needs at the facility. Funds raised in 2012 and the 2013 event provided the two-year funding commitment to Food and Shelter, Inc.

Center For Children and Families, Inc. was the recipient of the 2014-2015 LTDV Grant Request for \$100,000 to create their new Children's Therapeutic Area which serves children and youth who have experienced child abuse and neglect.

The Legacy Rotary Club joined the other three Norman Rotary Clubs for the 2018 Le Tour De Vin. The joint fundraiser for The Studio of The Sooner Theatre funded renovations to a new permanent home for The Studio of The Sooner Theatre, expanding their reach in our community with students otherwise unable to afford the arts experience.

For 2018-19, Le Tour De Vin supports the construction of a new facility for Full Circle Adult Day Center. The new center will provide members with a state of the art facility, new amenities and easy access for the best in care and support.

Currently, the Le Tour de Vin Grant Selection Committee requests 2020-21 applications. Projects may be for a one or two year commitment of funding, depending on the scope of the project.
